

REFORMED UNIVERSITY FELLOWSHIP

REACHING STUDENTS FOR CHRIST • EQUIPPING STUDENTS TO SERVE

Dear Friends,

As you approach the time to go to college let me make sure you consider RUF as you go..

Reformed University Fellowship is a partner ministry with RYM and is the college ministry of the Presbyterian Church in America. So if you know about RYM, RUF will feel very familiar to you. We are the college counterpart to the middle and high school ministry of RYM.

Whether you end up on a smaller liberal arts college or a massive state university the task of finding a safe place, where you will find like minded people, yet be challenged to grow, can be daunting. How do you find biblical teaching on campus? Where do you learn how to love your non-Christian roommates? Who will come along side of you and walk with you through the trials and temptations found in college? What will it look like to be discipled during these next 4 years of your life? RUF exists to provide the answers and people to speak to all those questions.

As you think about college you will want to know there is a place for you to grow in your faith in Christ and a place for fellowship and encouragement with fellow Christians. RUF provides biblical teaching through once a week large group meeting as well as various small group bible studies that meet through out the week. Campus Ministers and interns meet with students one-on-one to build relationships, disciple, and speak to individual issues or questions.

We are located on over 110 campuses across the United States. You can check out a full campus listing as well as look at individual campus websites by first going to www.ruf.org.

If you have any questions please feel free to contact any of the staff in RUF. You can contact us through our website.
